

# Ready for your TY or LC **Spanish** Experience?

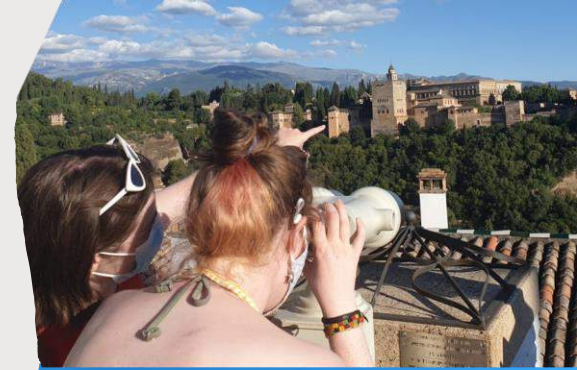

**Transition Spain Experience, SL.** is a leading company which specialises in Spanish Immersion programmes and activity-based learning experiences for **Irish Transition Year** and **Leaving Cert** students.

**Granada** is one of the **top destinations for international students**, making up for almost 60,000 of its 240,000 inhabitants who come to study every year and enjoy the good weather, as well as free 'tapas' which make dining out part of the culture at weekends. Granada's privileged location, just 40 mins from the snow-capped mountains of Sierra Nevada or to the beaches of the 'Costa Tropical', allows for **adventurous activities all year round**.

**A Coruña** is a city of 240,000 inhabitants and forms part of the "Camino de Santiago" route, a renowned pilgrimage of medieval origin. It is a **cosmopolitan city** boasting **beautiful beaches** and the longest promenade in Europe (17km). Famous for its **gastronomy and shopping**, being headquarters of Inditex (Zara, Bershka, Pull & Bear, Mango, etc), it's an elegant city where dining on the 'Tapas' route is a popular weekend activity.

# Language Programme

Our language programmes are based on **Content and Language Integrated Learning** where **supervised activities** are key to language acquisition and tailored to group age, level and student objectives.

## SAMPLE SCHEDULE

08.00 – 09.00	Breakfast with host family
09.30 – 13.00	<b>Spanish lessons</b>
14.00 – 15.00	Lunch
15.30 – 17.30	<b>Activities Mon – Thurs (*)</b>
20.30 – 21.30	Supper time with host family

## Weekends

Free time with peers and host family. Students are encouraged to actively participate in the daily lives of host families (set the table, chat to them at mealtimes, etc). A group **excursion** is organised at least once per month (e.g. beach trip, mountain trek and adventure sports).

## (\*) Examples of midweek activities:

Cooking, dance, music or photography workshops, guided tours of the city and emblematic sites, sports (football, padel, hockey, etc).

# Host Family Accommodation

*Bienvenidos*  
A NUESTRA CASA

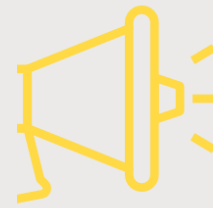

The Spanish Host Families form a **well-organized network** who are **regularly in contact** with the language programme coordinators. They are **experienced** host families and submit annual certificates from the Spanish Ministry of Justice in accordance with the **vetting process** to accommodate minors.

Host Families generally accommodate 2 or 3 students in a **twin or triple** bedroom. Depending on availability/location/season, some families may accommodate individuals.

Students and host families are allocated bearing in mind priorities (medical conditions, dietary restrictions, etc.), preferences (near to friends or gym, young kids, similar hobbies, etc.) and with the **common objective of providing a comfortable, welcoming Home from home**

# Parent Feedback

## **Aoife (mom of TY student, April 2022)**

My Emma doesn't want to come home and has admitted she 'just loves it', which is huge for the girl who had massive anxiety about leaving home and living with a new family on her own in a strange country. I will be highly recommending Transition Spain Experiences and all your team to anyone who is considering this wonderful Spanish immersion programme for their child.

## **Orla (mom of TY student, May 2023)**

Thank you Emily and to all the team in TSE. I can honestly say the phrase of "going above and beyond", is everything that epitomises your team! Nothing was a problem - because there never was a problem! From selection of host family to dedicated tutors and willing, caring people at every point along the way, Ava always felt safe. Everything went so smoothly which was so important to us as parents.

## **Noreen (mom of LC student, Summer 2023)**

Amazing experience all round! The host family were so attentive, the Spanish academy was centrally located, lessons were made fun in a friendly environment. Immersion in culture, a sense of independence and the adventure of living abroad will be part of a wonderful story my son will tell in the years ahead!

## **Tracy (mom of TY & LC students 2021 - 2024)**

Thank you so much Emily for another fantastic and well-organised programme! Julia had an amazing experience and loved her host family, who were incredibly nice to her. She thought it was a stunning part of Spain and she learnt so much Spanish in 3 weeks! I have to say, I have had 2 children do your programme and one of them did it twice in different locations... not once did I hear a moan or complaint out of them. May I say You have an amazing programme, your attention to detail is second to none - you cater for every need of the child and parent! I couldn't recommend your Transition Spain experiences more highly. Wishing you all the very best with the future students on their Spanish adventure.

WISH YOU WERE HERE ...
